

ENVIRONMENTAL POLICY STATEMENT

The Hylomar Group of companies recognises its responsibility to conduct operations, provide services and manufacture products in a manner that is responsible to the Earth's environment and protective of its natural resources and to this end has established the following Environmental Policy:

It is the Company's policy to:-

- Comply with current and any future environmental legislation.
- Be committed to continual improvement of our environmental impacts and prevention of pollution.
- Endeavour to reduce and minimise pollution from the Company's activities.
- Seek to use sustainable raw materials sources whenever practicable.
- Periodically review the environmental performance of the Company with the aim of improvement.
- Make our staff aware of this policy and their obligations.

Any suggestions that may assist us in improving our environmental impacts are welcomed.
